Choose ANY of these ways to earn Baby Bucks....

... to spend on whatever you need from our store!

Things you already do:

Many expectant parents prepare for pregnancy and parenting by doing things like going to prenatal check-ups or signing up for WIC.

If you already have children, your day may include well-baby exams, ECCE classes, first aid classes, or similar things.

All of these things, in addition to our one-on-one sessions, will help you earn Baby Bucks.
